

Have you ever faced with these problems?

- How to start your new business?
- How to develop new products or services to benefit customers?
- How to expand your business to local and international markets?
- How to increase production efficiency and improve the product quality?
- How to join business networks and clusters?

And if you do, how do you deal with it ?
Here, the Business Service Center (BSC),
we will provide you with answers to
your questions.

*Think about us.
We are the real partner
of Industrial Entrepreneurs!*

BSC is the welcome point for entrepreneurs to receive information, easily access the front office for all services, provide convenient and efficient services and also create the business opportunities to entrepreneurs. It is the public service center of the Department of Industrial Promotion (DIP) under the Minister of Industry, Thailand to serve the Thai SMEs especially in production area from Start-up to Turn around. Inside BSC, there are huge networks of Service Providers such as Professional Engineers, Senior Consultants, Financial Officers and linkages to other business supporting organization.

All our services are available in:

- Start-Up Business
- Networking/ Business Matching
- Management / Marketing / Accounting

Production / Standard

- Linkage to Funding with low interest rate
- Product Development / Innovation / Technology
- etc.

And we are also able to provide services by call center and e-consult.
